

EDITOR Cheryl Chandler ADVISOR Dr. Frederick T. Wessel

I've been at Piedmont three days and all I've done is stand in line . . . overslept last year and everything was closed out . . . don't know whether to take Western Civ or Trig this quarter . . . have you talked to your advisor yet? . . . I'm sure glad I'm through with science . . . met an upperclassman awhile ago and he sold me a library permit . . . I don't know what it is either, but he said it was required . . . you have to take one language . . . no, you can wait until next year, but it's best to get it over with . . . man, I'm glad to get out of there . . . yeah, let's go over to Babcock and see what's new.

The Freshmen beat the Sophomores fair and square this year . . . yeah, but didn't we have a ball at Mt. Yonah.

Hail Delta Alpha Omega.

Got a date for the dance? . . . No, she says we're not compatable . . . You hire the band; I'll buy the suds . . .

The following men have been accepted as Pledges . . .

Hey Pledge, where's your plank!...

Would you believe? . . .

Ya gotta have a good time.

We need a fourth for bridge . . . Let's see if we can find someone . . . Can't, everybody's gone to chapel . . . Saw your friend last night with another girl . . . Yeah, I heard about that . . .

Let's Go.

We can't.

Why not?

We're waiting for Godot.

AH!

Let's stay around after class and maybe we'll miss lunch . . . Studied? I haven't even opened a book . . . sat up until the moon went down . . . not studying, watching the late show.

Stayed up till 3 a.m. last night . . .

I know more about Hamlet than Shakespeare did . . . Got a trig test this morning and history this afternoon . . . let's go down to your room and study . . . I need to pull at least a B on this final . . . but I'll be lucky to pull a dog . . . why don't we just skip this class? . . . no, I can't cut any more.

The 1967 YONAHIAN is your book. It is dedicated to you, the student body of Piedmont College. Even though this book represents only one year of your life, its meaning is much more significant. By looking back through these pages, we hope your memories will be happy ones and that you'll remember this year as — "A VERY GOOD YEAR."

Cheryl Chandler Editor, 1967 Yonahian
